Dear all,

One of the priorities of BERJAYA UC is to provide access to tertiary education to Malaysians and citizens of other countries as it believes that one's learning is enriched when the environment is rich with the presence of both staff and students from different backgrounds. Hence, we are embarking on an internationalisation journey with the objective of positioning BERJAYA UC as an institution of higher learning that prioritises its development to cater to a global audience.

BERJAYA UC's membership in the Erasmus+ FRIENDS Project aims to strengthen our internationalisation capabilities and to develop our students' global experiences through the focused integration of inter-cultural dimensions into BERJAYA UC's formal and informal curriculum.

One of the key outcomes of the project is the establishment of the FRIENDS TEAHOUSE, a multi-cultural hub for students, under the purview of the Office of the Deputy Vice-Chancellor.

As such, the FRIENDS TEAHOUSE will be launched on 19th August 2020 in the presence of Ms. Ellen Flanagan, the Political Attaché for the EU Delegation to Malaysia.

Thank you.
