

**MEMORANDUM**

To: SRU Management, staff and Students

Subject: Inclusion of FRIENDS Teahouse in the University  
Organizational structure.

DATE: October, 22 2020

The University’s membership in the Erasmus+ FRIENDS project aims to develop and strengthen our internationalization capabilities and to develop our students ‘global and cultural competencies through the integration of intercultural components into the university’s formal and informal curriculum.

A key component of the project is the establishment of the FRIENDS TEAHOUSE as a hub for students to do the online learning associated with the program and to attend special events in line with the outcomes mentioned above. The Teahouse will be in room DOO3 and will be under the Management of the Faculty of Arts, Humanities and Foreign Languages.
