4 x Staff Webinars

Benefit of Internationalisation

1. Internationalisation will lead to the creation of holistic teaching infrastructure and facilities to meet the growing demands of the industry and technicalities of the corporate world.
2. Offers all students global perspectives within their programme of study, whether they spend time abroad
3. Moves beyond electives or specialized programmes.
4. Creates opportunities for student engagement with 'cultural others' in local society.
5. Can include virtual mobility through online working with partner universities
