Erasmus+ 2021 - 2027: Greener and More Environmentally Friendly

- To lower the Erasmus+ projects and beneficiaries' carbon footprint
- To raise more environmental and climate change awareness in participants across the different actions
- To provide guidance and training, facilitate exchange of good practices and experiences in greening the education sector
- To support more projects addressing "environment and climate action" as a thematic topics.

Erasmus+ 2021 - 2027: More Digital and Efficient

- To strengthen universities competitiveness and innovation capacity
- To reinforce students' digital skills and competences
- To support digital content development
- To enhance digital teaching and learning activities (blended learning), complementing the physical mobility and cooperation
- To reinforce the digitalisation of programme's implementation processes and digital cooperation platforms for education.
