## **International and Intercultural Festival (RIM):**

**Date: 26 August 2021**

**Venue: RIM Auditorium**

The international and intercultural festival at the Royal Institute of management was conducted to present the different cultures and traditions within Asian countries (especially India and Nepal) through performance of different forms of dances and songs. The main aim of the event was to help us grow our capacity to learn different types of languages, familiarise ourselves with different cultures, inquire, and think. The program was successfully organised by the FRIENDS project team with the support from the management and under the guidance of the Cultural club and especially the cultural coordinator. The students from all the course participated in the event.
