9 March 2022

FRIENDS is a consortium of four (4) programme country HEIs from Europe and twelve (12) partner country HEIs from Asia, including the University of Cebu. The overall objective of FRIENDS is to strengthen the involved Asian university's internationalization capabilities and to develop their students' global competence through the purposeful integration of intercultural dimensions into the university's formal and informal curriculum.

The University of Cebu Office of the Vice Chancellor for Business Development and Innovation will be hosting the online UC FRIENDS REUNION on Wednesday, March 23, 2022 from 2:00 PM to 3:00PM.

The FRIENDS REUNION aims to promote the FRIENDS results, encourage ongoing applications for Intercultural Passport and raise awareness on FRIENDS Teahouse initiative. It covers FRIENDS achievement presentation, keynote speech and inspirational talks from selected stakeholders who will be sharing the relevance of intercultural engagement and global competence to student employability.
